

contempo petite sirah

STORY

Are you contempo? Contempo is defined as showing the latest style. Whereas the packaging will remain consistent over time, the style of the wine will continually adapt to the wandering palates of the youthful wine consumer.

TASTING NOTES

A classic style Petite Sirah. Intense, black purple color. Fruit forward on the nose with aromas of vibrant dark plum, crushed blackberries and a slight touch of smoky spice. Med-bodied, not inky but vibrant. A fresh fruity mouthfeel, elegant with a soft mouthfilling finish and integrated acidity. A delicious wine that pairs well with hardy food fare.
