

## Currency Red Blend 2015

### STORY

Currency is any method of exchange accepted to fulfill a need. Almost anything can be considered a currency as long as it represents value. Our intention is that the wine making methods we employ will facilitate a wonderful exchange of conversation and experience in every glass.

### VINEYARDS

Situated in the heart of California at the confluence of the Consumnes and Mokelumne Rivers, the Lodi/Woodbridge region enjoys a Mediterranean climate, with warm dry summers, cool moist winters, and distinctive sandy soils which makes for ideal growing conditions. Grapes have always been a part of the local landscape, growing wild along the riverbanks. The first vineyard was established in 1850 and over the next century vineyards and wineries began sprouting up throughout the Lodi region. In 1986 Lodi wines were recognized for their unique quality and given a credibility boost when the Lodi Appellation (American Viticulture Area) was approved.

### TASTING NOTES

Aromas are fresh and fruity, with a soft, lush raspberry jam flavor, along with notes of blackberry, cinnamon and smoke. Perfectly balanced and has a smooth finish. Enjoy on its own, or pair with barbecue chicken, roasted lamb, pulled pork, or a lovely Brie or Blue Cheese.
